The Nature of Art

FINE ART EXHIBITION AND SALE
PRIVATE EVENT JUNE 14, 2024

The San Marino League holds its seventh biennial Fine Art Exhibition and Sale at The Botanical Center at the Huntington Library, Art Museum, and Botanical Gardens. Our show attracts some of the best artists and features not only over 100 exceptional paintings, but also original 3-D art including glass art, ceramics, a custom furniture maker, and jewelry created especially for the show by selectively invited artisans.

Proceeds from *The Nature of Art* fund the endowment of the Japanese Garden at The Huntington and provide Fine Art Scholarships at ArtCenter College of Design. Fifty percent of the price of the art is tax deductible to the buyer.
